Streamlined Financial Hardship Waiver Request  
MM Docket 11-93

Dear Ms. Dortch:

Neuhoff Family Limited Partnership (NFLP), licensee of Station KMVT(TV), Twin Falls, Idaho, requests a one-year delay in required compliance with the Commercial Advertisement Loudness Mitigation Act ("the Act"), pursuant to Section 2(b)(2) of the Act and Paragraphs 52 and 53 of the FCC's Report and Order, Implementation of the Commercial Loudness Mitigation (CALM) Act, 26 FCC Rcd 17222 (2011) ("R&O"). In support thereof, NFLP certifies as follows:

1. NFLP is a "small broadcast station" as defined in the R&O inasmuch as it is located in Television Market No. 191.
2. NFLP needs a delay of one year to obtain specified equipment in order to avoid the financial hardship that would be imposed if it were required to obtain the equipment sooner. In this regard, attached are specifications and estimated costs of compliance with the Act.

Under the circumstances, NFLP is entitled to the requested waiver.

I certify under penalty of perjury that the foregoing is true and correct.
